Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. In s. Trans 302.03 (2), the new sentence should be rewritten as follows: ““For hire motor carrier” does not include a person who transports passengers in taxicab service or in commuter car pool or van pool vehicles designed to transport less than 16 persons or in a school bus under s. 120.13 (23), Stats.” The department should also consider placing this and any other exceptions to the definition of “for hire motor carrier” in a separate paragraph under sub. (2) (i.e., make the definition of the term sub. (2) (a) and the exceptions sub. (2) (b)). In sub. (5), the third sentence should begin ““Rental company” does not include”

b. In s. Trans 302.07 (1) (intro.), the address could be placed in a note to this provision and not in the text of the rule. Also, in the first sentence, “desire to” should be deleted and reference should be made to department approval. The sentence could be written as follows: “With approval of the department, an owner or operator may use a recognized company logo or identification that does not fully comply with s. Trans 302.04 (1) (a).”

c. In s. Trans 302.08 (2), last sentence, “may” should be “is” and “be” should be stricken through.
